

## What is the project schedule and how is it being funded?

### Project Schedule — 4 Year Pilot Project

During each year of the 4-year pilot, WSDOT will report to the legislature, collect “lessons learned” and decide how to improve the HOT lane system for use in other places.

### Funding

\$2.78 million in Federal funding  
\$12.60 million in State Transportation Partnership funding

**Total = \$15.38 million**
